Social

Founder – Sneus Foundation, Pune.

Our Foundation is a non profit organisation working towards social causes and empowerment of women, children and economically backward class of people. We create, develop and operate a skill development institution with able support of private and public sector institutions.

We have successfully conducted the following programs:-

- Organized competitive examinations at Taluka level for the school students to create awareness and interest about General Knowledge in the minds of the students at an

early age. The competition was organized at Taluka level wherein more than 100 schools participated and more than 25,000 students appear for the examination.

- To organize programs like "Seema Darshan" to create unity with the international boundaries & Regular support "Bharat Raksha Parva" & Border Yaatra To boost the morale of the Jawan's of security forces through #SisterofSoldiers Parvati Jangid (Chairperson-Youth Parliament of India.)
- Women entrepreneurship development program for self help groups in Pune in association with 'Maratha Chamber of Commerce in India (MCCI)' with a participation of around 100 women.
- Organised school level programs for creating awareness and development of MS-Office and computer related skills.
- Conducted career counseling workshops for education opportunities after 10th covering vocation, arts, commerce and science stream.
- Facilitated drinking and usage water during drought for villagers and cattle.

Political:-

- Worked closely with the political management team of Respected Late Shri Gopinath Ji Munde Saheb.
- Contested MLA Election as an authorised candidate of a nationalised party.
- Close family members acted as Sabhapati (Taluka Panchayat), Nagar Adhyaksha, Village Sarpanch.

- Expertise in hydro project designing, installation,
- Expertise in preparation of investigation reports i.e. Detailed Project Reports (DPR)
- Worked closely with foreign entrepreneur for advance technology in power generation

Life AIM:

Dedicate my life to achieve a National Aim of "Zero Emissions and Zero Water Pollution"

- I am determined to make my country self-reliant in terms of electricity through hydroelectric projects.
- If the Indian government supports me by implementing my suggestions, then I wish to work on an "Escape Route" for all Indian rivers to eradicate them from man-made pollution.
- My dream is to make every Indian village "Electricity self-sufficient".
- I would be dedicated to the "Rashtra Nirman" and the country's army, paramilitary forces

with तन-मन-धन.

Residence City: Pune – 411 038, Maharashtra
